

THE UCO'S PUBLICATION SCHEME & SCHEDULE OF FEES

INTRODUCTION

The UCO has used the Definition Document for Universities and other Higher Education Institutions¹ published by the Information Commissioner's Office (ICO) to produce our Publication Scheme, describing the information we hold and publish in accordance with the ICO's Model Publication Scheme² and to ensure that we publish information within the Classes of Information of that scheme.

Our Publication Scheme includes a [Guide to Information](#) that provides:

- A description of the information.
- The format in which the information is routinely published (e.g. on a webpage, as a PDF file, etc.).
- How to obtain the information with a link to the URL if the information is available on our website or whether it is available on request.

Our Publication Scheme also includes a [Schedule of Fees](#) describing what we charge for information in line with guidance published by the ICO and in accordance with the Freedom of Information Act 2000 (FIA) and Environmental Information Regulations 2004 (EIR).

Where information is available on request, please email our Data Protection & Freedom of Information Officer with your request: dpfio@uco.ac.uk.
