

# UNIVERSITY COLLEGE OF OSTEOPATHY SPACES FOR HIRE

From small meetings to larger events accommodating up to 120 attendees, we provide a diverse selection of spaces to suit your requirements.

Most spaces feature state-of-the-art AV technology, air conditioning and flexible layout options, while our specialist teaching spaces are ideal for practical and clinical training sessions and come complete with plinths.

Located in Central London within walking distance of three of the capital's main transport hubs, we are ideally placed for attendees travelling from across the capital and further afield.

All hire spaces are fully accessible and limited parking is available for guests with specific access needs by prior arrangement.

Discover the perfect space for your room hire needs, whether it's for meetings, workshops, teaching sessions or presentations.

Conveniently situated and competitively priced, our venue offers versatile solutions for every occasion.
